

ACH NOTIFICATIONS

IT'S AN EXCITING TIME AT ILLINOIS BANK & TRUST!

We are making some system upgrades that are going to change the delivery method of how we provide you notifications of any ACH returns or changes to ACH transactions you process. While there is no change in how you send your files to the bank, you will now have access to our commercial online banking platform to receive any communication you previously accessed through the FedEDI system.

We will be assisting in ensuring you are setup to receive these notifications without delay by April 8, 2019. Then you will follow the simple steps outlined below to access the notices:
